

SAUNDERS SPRINGS

NATURE PRESERVE

The stresses of life melt away when you escape into nature. Saunders Springs Nature Preserve provides that escape in the heart of Radcliff, Kentucky. Blanketed in a pristine forest, the preserve provides hiking, biking, fishing, picnicking, and the opportunities for nature study. Explore scenic trails, a lake, four vintage log cabins from the 1800's, and a beautiful waterfall. Open year round, weather permitting.
